

AGM Motion and Board Director Nomination Form

ISL VLOG: www.irishdeafociety.ie/about/AGM2022/

To propose a motion, nominate a board director or vote you must be a paid-up member in the current year. Your motion must be agreed by two IDS members, a proposer and a seconder. The board will review submissions and accepted motions will be debated at the AGM.

Motions should be relevant to the business of the AGM - discussion of the Annual Report, Audited Financial Accounts, the election of Directors and changes to the IDS Constitution. If your proposed motion is not suitable for the AGM we will contact you with an explanation and how we can support you to address any concerns.

Members can make nominations to the board of directors when there are vacancies. The board will decide who will be Chairperson, Vice Chairperson, Treasurer, Company Secretary and other roles at their first meeting after the AGM, which must take place no more than two weeks after the AGM.

If you have a general suggestion, feedback or a complaint that is not a valid motion please email it to feedback@irishdeafociety.ie, text 086 440 1443 or phone 01 860 1878.

We will send you a list of the approved motions and a proxy voting form before the AGM meeting.

Please complete in BLOCK CAPITALS	
Motion description or Nomination of Director (Use an additional page if needed)
